

## ROBOT SERVANTS

- When will we have household robots? I'm very skeptical about present robotics.
- What will they be like? As in science fiction?
- What should they be like?
- Will they have emotions? Free will?
- What's the biggest danger? Their use in human control?

## A NEW AGE OF LUXURY—LIKE THE VICTORIAN

- My household robot will replace my housekeeping in a day. What about the other 23 hours?
- Super-cleanliness and order.
- It knows where everything is?
- The teenage girl's ladies maid.
- The porter. No more than six robots allowed.
